

Registration of CARE620HS Additional Handset

Package contents:

This Oricom Care620HS package contains the following:

- 1 x Additional Handset
- 1 x Charging Base Station
- 1 x AC adaptor
- 2 x Rechargeable Batteries

Connecting your phone:

- Connect AC adaptor to the base station and the mains power.
- Insert batteries in handset, place handset on base station for charging.

Using your phone for the first time, charge batteries continuously for 16 hours.

Only use AC adaptor and rechargeable batteries supplied with your phone.

Registration:

1. Make sure the handset is off the base station and shows **REGISTER** before you begin registration.
2. Press and hold  on the back of telephone base in idle mode for around 5 seconds until the base LED is flashing.
3. Press [OK] on handset for registration.
4. Input pin code (default 0000 which should be same as base unit), press [OK], the handset will display **PLEASE WAIT**.
It takes max. 90 seconds to complete the registration process.
5. When registration completes, the handset will emit confirmation beep, and the base LED will be off.
If registration fails, the handset displays **REGISTER**, and emits error bips.
Please repeat the above procedure.

Note: Oricom CARE620-1 and CARE820 can support a maximum of 4 cordless handsets including the main handset.

Please note that this Express Warranty excludes expenses incurred by you in returning any faulty product to us. You must arrange and pay any expenses incurred (including postage, delivery, freight, transportation or insurance of the product) to return the faulty product to us, however, we will arrange delivery of the repaired or replaced faulty product to you.

Important Information

Repair Notice

Please be aware that the repair of your goods may result in the loss of any user-generated data (such as stored telephone numbers, text messages and contact information). Please ensure that you have made a copy of any data saved on your goods before sending for repair. Please also be aware that goods presented for repair may be replaced by refurbished goods or parts of the same type rather than being repaired.
